

CONCEALED SECURITY

The Dominator Safes® in-floor series ensures both ends of the size and volume scale are catered for. With the compact design of the direct-locking DF-1, to the underground vault and double-sized DF-4.

Up to five plated locking bolts and secondary locking pins seal the doors of the DF series and ensure that concealing your safe isn't the only protection it offers against theft.

*1 year warranty to locks, 5 years to safe body
